Title: Who are You?

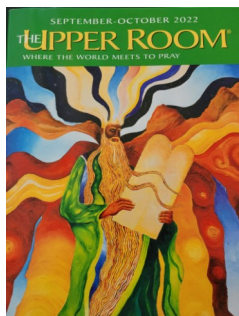

Scripture: Matthew 16:13-20

Summary: Never have we been more aware of all the many varied ideas that exist in the world than we are today. That's true of everything including religion. Researchers estimate more than 4,000 religions exist, today, and up to 85% of the global population identifies with one of them. So, among so many, who is Jesus, and why should we follow him above all the rest? That's a question Jesus essentially asked his followers, at one point.
